

# Papa's House Report

## Updates of September:

***"The heart of man plans his way, but the LORD establishes his steps."- Proverbs 16:9***

Autumn is the season to Thank God for his many Blessings. Like that Papas house children got a nice opportunity to watch Spiderman movie.

## Updates of October:

***“I will instruct you and teach you in the way you should go; I will counsel you with my eye upon you.” - Psalm 32:8.***

Relief Distributions: Our First Free Medical Camp for our Village and community people at Champasari. This Free Medical Camp was held at our Campus. During this camp, we also served more than 35+ families and children. We were able to provide some basic medicines, did BP check, Blood Sugar Test, gave awareness tips and information on Cleanliness and Hygiene, etc.

We were also able to distribute reusable sanitary pads and lady's inner wears to girls and women. We gave Toothpaste, Toothbrush, Soaps, and some food items.

**Rangpo:** here, at this border town 223 houses have been effected alone. 800 families are forced to stay in relief camps. In this Relief Camp where we provided the Relief, there are a total of 205 House. The number of Male are 424, Female 402. There are a total of 260 Children at this Relief Camp. The number of Boy child is 150 and Girl child is 110. We concluded that this is the best way to stand with the victims and survivors, who have been severely affected. The needs are too many, with poor and deserving families left to start

all over again. We are Praying and hoping to get back once again with much needed Relief.

Distribution of school bags, exercise books, pens, pencils, biscuits, toothpaste, toothbrush and soaps in Rangpo.

We were also able to distribute reusable sanitary pads and lady's innerwear to Girls and women.

### **The aftermath of the Flash flood at Sikkim Bengal border town Rangpo.**

We were delighted and grateful to have met and hosted our Revival Fires Team under the Leadership of Trevor and Sharon Baker in October at our campus in Siliguri. Papa's House Children were blessed and happy to interact with the Team from Revival Fires, many of whom visited Papa's House Children Centre for the very first time. It was indeed a fruitful and enriching time spent together in Fellowship, Mentorship, and Prayers lead by Trevor and Sharon Baker.

Some of Our children ( Kapil, Robin, Arbin, Rubin and Sandip) has shared their testimony.

## **Testimony of the Papa's House Children**

**Arbin Oraon:** Hello, I'm Arbin Oraon. When I came here, I didn't know anything and I didn't even like to study. Then I slowly learned to read and write. The biggest testimony of my life is that by coming here, I came to know about Lord Jesus. Here I learned to pray. And I accepted Lord Jesus Christ into my life. When my father passed away a few months ago, I prayed to the Lord day and night to overcome my grief. And now I don't feel the pain anymore.

**Rubin Oraon:** Hello, my name is Rubin Oraon. I came here in Papa's House when I was 6 years old. I didn't know how to read or write at that time. Then gradually I learned to read and write. The biggest testimony of my life is to come here and learn about Lord Jesus Christ. When my dad passed away, then the word of Lord Jesus gave me the strength to bear the suffering. And now I am completely ready to accept Lord Jesus into my life.

**Kapil Khati:** Hello, I'm Kapil Khati. I came to Papa's House in 2009. I didn't know what God had planned for me, but He gave me a wonderful life and a wonderful family. I'm very thankful that I have received God in my life. By God's grace, today I'm able to go to a

good school and I have God's blessings in my life. I'm very thankful to God.

## **Testimony of the Papa's House Children**

**Sandip Oraon:** Jai Mashi to all of you. My name is Sandip Oraon. My parents sent me to study here. But here I did not just learn to read and write, I also learned to know about Lord Jesus. A few months ago I received new life through baptism. I would like to thank Trevor Uncle Sharon Aunty and everyone at Revival Fires. Pray for me so that I can make it even better.

**Robin Biswakarma:** Hello I'm Robin Biswakarma. First of all I want to thank my Lord. I was very young when my mom and dad passed away. Then I was brought here and after coming here I learned a lot. Now this Papa House is my family. The testimony of my life is that I came to know about Lord Jesus Christ and accepted Him into my life. Please pray for me so that I get success in life.

## Updates of November:

With the Blessings of Lord Jesus, we were able to get a new Bi-cycle for Kapil. Now it is easier for him to go to school.

Small blessings for the papas house Children which gives them immense happiness.

We had senior children outdoor cooking and picnic time. A quality time to interact and spend some time together.

**We are Thankful and express our gratitude to all our dedicated Friends, Sponsors, and Prayer partners for their continued Support towards Papa's House India and Ministry work.**
